COST: FREE!

After the outstanding success of the informational night hosted at Fairfield Elementary for Bethel area neighbors the Crime Prevention Unit is reaching out to **all** Eugene neighborhoods. Crime Prevention staff will be hosting information forums for residents of neighborhoods across Eugene. Sergeant Lisa Barrong and her staff will be providing up to date crime statistics and advice on how to protect your home and property from thieves so that you don't become another number on the charts.

The public will learn what crime trends the Eugene Police Department is seeing throughout the city and specific crimes affecting their neighborhood; followed by practical tips anyone can do make their home a "harder target" for criminals. At the completion of the presentation staff will be available to answer the specific crime prevention questions attendees have and meet with their neighborhood crime prevention specialist.
